

Place : Brasilia,brazil

Speaking :

Part 1:

What do you do?

Questions about my job, like what i like most of what I do and so.

Questions about e-mails.

If I use email, if I prefer using e-mails or phone calls and why.

Part 2

Changes in my life

When I had a change in my life

What changed

How I feel about that changing

He asked if i like changes and why.

Part 3

If changes are important to people.

If the society is prepared for changes.

(At this question maybe i might got off the topic because he asked me another time 😞)

Are the changes getting quicker?

If i think older people are less comfortable with changes and why.

If i think by the ages go it is more difficult to change and why.
