Writing Task 1

1 bar chart showing the percentage of unemployment between ages 15 and 24 and the overall percentage of unemployment for 5 different countries.

Writing Task 2

Some think that government should spend money on sports facilities for training top athletes while some think that government should spend money for sports facilities for everybody. Discuss and give you opinion.

The reading passages were quite long and the listening test, I think, was easy.

Hoping for good results!
