Family and activities:

Which activities were you used to do with your family on holidays when you were child?

How did you spend time with your family at home when you're younger?

Do you spend the time with your family today in the same way?

What holiday location you'd like to go with your family in future?

Rain:

Do you like when it's raining?

Does it rain much where you live?

Does rain affects people's behaviour?

Part2 Cue card: Talk about the time when you're pleased that you had a cellphone with you?

When,

who were with you,

where,

why you were pleased to have cellphone at that time?

Follow up question: Do you always keep your cellphone with you?
